“We are truly blessed to have our community’s support for the mission of serving youth and their families.”

## DEAR FAMILIES AND MISSION SUPPORTERS,

2020 brought unforeseen obstacles that tried to dim the **light** of our mission to serve at-risk youth and families; however, with the continued **light** of our supporters, we outshined the darkness and provided quality youth programs all year. Thank you to all our advocates who have given to our mission, prayed for us, shared the good news about our mission, and given kind words of encouragement. Your demonstrated care, support, love, and kindness gave our team members, Board of Directors, youth, and families the determination to succeed.

While we were shut down and closed off from outside activities and engagement, many supporters gladly bestowed items for outdoor recreation, including bikes, helmets, and sports equipment of all kinds. Many of you supported us financially as our costs rose due to the need for increased staffing while youth were not able to attend in-person school. Gifted teachers and para-educators came forward and offered to support our boys during school days, helping them realize how vital human connection is to social and emotional growth. Every bit of support helped us provide that much more security and comfort to our boys in a volatile time, and I thank every one of you for your generosity.

No matter when darkness comes, I pray you are all safe, that you know you make a positive impact on the community around you, and that Morning Star appreciates you. Keep your **light** bright as you never know what challenges our fellow humans are going through. Remember your **light** is contagious, and your gifts, prayers, and volunteer hours bring hope, love, and kindness. Thank you for making our youth realize they are special and that our community cares.

I and our entire Morning Star family sincerely thank you for your continued bright **light!**

Sincerely,

—**Audrea Marshall, MOL**

Today, the needs of our community are so vast that no one person or company could provide all the support required. Whether big gifts or small, know that we are incredibly grateful for each of your donations towards our community programs.
